About

Daily streamer focused on competitive gameplay, clean content, and building a real community.

I stream a mix of ranked grind and new releases — mainly Apex Legends, ARC Raiders, and whatever’s worth playing that day.

This is a chat-first stream. If you’re here, you’re part of it.

No fake energy, just gameplay, improvement, and moments worth clipping

Sponsored Segment · \$1,250 – \$2,550

Dedicated sponsored segment

Stream Integration · \$900 – \$2,000

Stream integration during live FPS-focused gameplay (Apex Legends, ARC Raiders, CS2, Dead by Daylight).
Includes natural on-stream integration, live shoutouts, and gameplay-context promotion during high-engagement moments.

Strong interactive audience (1K–3K average live viewers, spikes during events).
Audience is highly engaged in competitive FPS content and responds well to in-stream activations and challenges.

Optional extras depending on campaign: extended integration segments, branded comm

Dedicated Video • \$400 - \$1,100

30-60-second dedicated sponsored video placement with clear brand mention, product/service highlight, call-to-action, and link in description. Includes one round of minor revisions before posting. Pricing may vary based on campaign requirements, exclusivity, usage rights, and timeline.
